

This holiday season give children the greatest gift of all...the gift of giving. HIP Housing invites you to participate in its **Holiday Store** in December 2017. Through generous donations and the assistance of volunteers, over 50 children will be able to purchase gifts for their siblings and parents at nominal costs (\$0.25 to \$1.00). The event will provide a cherished memory, teach children the value of saving, and the joy in giving.
