Special 50th Anniversary Edition

HURRY! SPONSORSHIP SPACES ARE LIMITED!

Have your name and logo prominently displayed in 3,000 homes and businesses throughout 2022!

HIP Housing is creating its 20th annual calendar, featuring artwork from children from across San Mateo County and celebrating our agency's 50th anniversary. Each month of the calendar will spotlight a child's drawing and community Sponsor(s). Show support for HIP Housing and promote your company by becoming a Sponsor today!

HIP Housing is a nonprofit that provides creative affordable housing opportunities in San Mateo County. Our calendars are given to community members at no charge and will be used to educate the community about our services. HIP Housing's Board and staff present the calendars to every City Council in the County, to over a dozen community groups, and at local fairs. For more information, visit www.HIPhousing.org.

A description of sponsorship opportunities and a sponsorship form are listed below. Sample calendars are available upon request.
